Dimension: Logo size. 300 x 100 is about good.

A larger version would be nice, like 600 x 200, I can just scale it down from there.

I'd like it to not be brickly (transparent bg, no corners)

The word "Perpetual" with a shiny metal look (like chrome or platinum) and blood splatter on it.

If you have a better idea for the word Perpetual (like something that fits the description) that would be cool instead of the blood splatter.

Me love you long time?

Here you go:

I love it. Any chance you can lighten up the dark gray gradient? It just seems really dark to me

Gave it a few tries.

Spoiler ([Click to View](#))

Can't really do blood.

Is this better?:

Barinade - January 10, 2015, 7:00 pm

Perfect :)

A member of my game server suggested added "TTT" to it, like underneath, centered, red/black colored, if you have the time.

Larceny - January 10, 2015, 7:31 pm

Who's did you like, so I can know if I should add the TTT or not.

JohnTravolta3242 - January 10, 2015, 7:57 pm

Dude you have a TTT server? Bro I play TTT all the time! You should send me the IP i'll play some time. Anyway is this better:

Try searching for "Perpetual" in the server list :P I'll message you the IP once we change hosts (within the next few days)

Larceny - *January 10, 2015, 8:21 pm*

Alright, guess I won't be getting an answer.

Barinade - *January 10, 2015, 8:29 pm*

His is the closest to what I requested. I know I was lacking a little detail, and I generally get ideas over time. Since he's probably going to check out my server and maybe play it regularly I'll be using his unless you can surprise me :P

I appreciate the work though, tossing some rep at ya

Larceny - *January 10, 2015, 8:33 pm*

That's fine, I was just wanting a response! :P

And I appreciate it!

Hey btw did you like the final logo? With the TTT added at the bottom?
