Thread: [Selling GTA Recovery Service \[5\\$ for 100m GTA Cash! \] HOT *NEW*](#)

Rapzor - January 10, 2015, 7:45 am

Sup folks,

As most of you know i used to do Money Lobby's on GTA V for free, since this had a lot of attention and people wanted GTA Money i will start doing that as a Paid service from now on.

The Prices:

Quote:1-100m GTA CASH = 5\$

100-500m GTA CASH = 10\$

100m GTA CASH + 100 Levels up = 7\$ (I will have to log in on your account)

500m GTA CASH + 200 Levels up = 15\$ (I will have to log in on your account)

If you want something different then above we can discuss about that, add me on skype if interested: "fut.legend"

I will be giving out 2 Vouch copies to 2 High Quality Members with over 100 rep.

VOUCH COPIES GIVEN 0/2

THIS IS FOR PS3 ONLY

Accepted Payment Methods: Paypal, Paysafecard, Skrill

Contact me over PM, but i suggest to add me on Skype: "fut.legend"

ToS:

All sales are final, no refunds.

We are not responsible for what you're doing with the GTA Cash

By buying our service you agree that your account may get banned by Rockstar, and you also agree that it is your own fault if you do get banned.

You are not allowed to use stolen paypal to buy this.

You are not allowed to chargeback, if you do so you will be put on a blacklist.

I am not going first, if you don't trust me dont deal with me.
