Completely new as i have just purchased off the coder.
I'm now expert on this, but i personally know it works for all regions.
It runs off the website lolskill.net
So it automatically will pull different names each day.
I cannot show proof as i cannot post a link untill 50 posts.
But if you would like it just PM me Not free anymore sorry

Uuhm lol? thats some weird thread design

First free and now its not?

PICwarrior381 - January 10, 2015, 8:10 pm

I PM you

Thank you for the giveaway :)

It's not free anymore, sorry.
I only gave it away to a select few. I do not want this getting leaked. Also i am closing this thread now.

edit:

nevermind. looking at your post history and the way you went about this post (who has it for free for only 45 mins? what the hell is that?) i wouldn't want to give someone like you money anyway XD

You can do as you wish. I did say in my post i would only be giving it to a few members.
I am not asking for any money xD
I wouldn't sell it to people like you anyway.

You would just leak,leak,leak
