Thread: [The Old Knight's - Professional and Affordable, Webmaster Services \[CHEAPEST ON HF\]](#)

The Old Knight - January 11, 2015, 10:02 am

Hello everyone,

I am a Front End Website Developer, equipped with years of Industry and Freelance experience. I have been point-of-call for one of the UK's largest Jewellery websites.

I can provide you with the following services:Domain name and Hosting Suggestions and Support

Bespoke Design and Development Services

MyBB Installation, Setup and Custom Themes

Wordpress Installation, Setup and Custom Themes

HTML/CSS Validation Services

Email Support and Services

Search Engine Optimisation - Results not guaranteed

I am also a Microsoft Certified Professional, all Computer/Hardware related questions are welcome.

If you're interested in any of the above services, please add me on Skype (hf.theoldknight).

Kind Regards,
- Dan (The Old Knight).

Vouches:

(Jan 11, 2015 11:25 AM)SIMAAS Wrote: [\[CITE\]](#) Vouch for The Old Knight! He's developing my website at the moment, and we're starting a business together!

You can trust him with anything :).

Hello,

Do you have Skype?

If so, please add (hf.theoldknight).

Here is a link to SIMAAS' website, which is still under construction.

<http://www.simaasgraphics.com/>

I charged - \$30 for this website.

This includes: installation and configuration of Wordpress, security development, premium plugins, website design, development and also Search Engine Optimisation.

If you're interested in the services I provide, please contact me.

Thank you very much for the vouch.

Good luck with your forum.

The Old Knight - January 27, 2015, 9:21 am

This service is still active, add (hf.theoldknight) on Skype if interested.

alma143 - January 28, 2015, 11:26 am

howmuch package service for building forum?

Cardinals - January 28, 2015, 3:50 pm

saving this for future reference :)
