Pretty sure this is a Pyramid scheme, which isn't allowed on HF.

I know way too many rules man, lol.

Well seeing your marketing, why would someone buy your e-book which claims to teach how to market e-books, when you clearly can't yourself.

MarSy - January 12, 2015, 1:57 pm

Well, seems like you can't even market your own Ebook properly :/

^^ what is this user saying ?
