Thread: [If you're a regular member and are interested in groups, hmu.](#)

iKinky - January 13, 2015, 1:23 pm

I'm not going to say a lot about this since it's so simple.

I don't know a ton of regular members, and i would like to. So if you're an active normal member slide into my PMs or post on the thread.

Mmmm music.

Yeah the only issue we have is that this is a thread and it includes posts which you need to read, it's not a tweet on Twitter.
