Thread: [Anime Intro/closing Song](#)

Samesies - January 14, 2015, 8:48 pm

I was wondering what everyone's favorite intro & closing songs are from an anime.

Personally I love this intro: Fullmetal Alchemist: Brotherhood Opening (Again - Yui)
[Video: <http://youtu.be/VEaPDdHpsWE?list=PLrtbyqnEt2hyRMUmXYDzaggBC54tdnctE>]

Love this ending: Naruto ending 1 (Wind)

Oh gad, this is too hard to answer.
Though, I really enjoyed the intro to Tokyo Ghoul season 1.
I also enjoyed Akame ga Kill's intro.
I bet there is a lot of intros/closing songs that I enjoy, but I got a terrible memory of that shit, so can't remember anything atm. My mind is all blank :D

Temploit - January 15, 2015, 3:28 am

The song of the first op of Robotics;Notes is in my opinion one of the better opening songs, even though the anime was kinda.. meh..

& then this from Nisemonogatari

[Video: <https://www.youtube.com/watch?v=RQ0ymYGQNa8>]

This one's from Phantom: Requiem for the phantom & is a total killer.
