Hey OP, in the "OFFER" section in the thread, below it you have made one mistake "Webesigner" wanted you to say "Webdesigner"? ?

ogRizah - January 5, 2016, 8:36 pm

Is this service still available?

Sent you a Skype request as brok*****_

Shroomies - May 2, 2016, 1:32 am

Responded to everyone, also bump on the thread. :)

deano2727 - May 4, 2016, 11:34 am

Massive vouch! Very quick, does things properly and always makes sure things are done the way you want them done. He is also very reasonable in what he charges.

Highly recommended! I would not hesitate to use again for any web dev I need done.
