Thread: [Official HF's runescape friends chat!](#)

WizeVibez - January 15, 2015, 1:43 pm

So this user his hf name is now "Of Mice and Men" made a thread a little bit ago about runescape players united and you gave your rsn, cb level, if you play 07 and i think another thing but it was to bring together hf's rs players and nothing really happened of it.

So I'm making an official HF unitited fc on rs!

Here is the code to join the fc:

Code [b]rsn:[/b]

[b]total/cb level:[/b]

[b]If you play RS3 or 07:[/b]

The FC name/my rsn is PJay!

Everyone is welcome to come and chat!

Im usually on RS3 and ill be adding the rsn's of the people who have joined!

Spoiler ([Click to View](#)) RSN (me): PJay

RSN: Mmm Munchies
