Thread: [Steam account with call of duty & gmod \[Football Fans, this is your chance!\]](#)

brawrrrski - January 16, 2015, 6:01 pm

Hello HF,

I'm in the spirit of giving, and my Packers are going all the way. So in light of this, I'm going to be holding a contest to give away this steam account:

[img]http://i1380.photobucket.com/albums/ah177/brawrrrski/CoD%20Account/ProfileGames_zps96dc755a.png[/img]

[img]http://i1380.photobucket.com/albums/ah177/brawrrrski/CoD%20Account/Settings_zps1da842fe.png[/img]

I've had this account in my possession for about 6 months now. Used it only a handful of times (no cheats.)

The account is not banned or limited at all.

How to win this account?

Guess the winner of the Green Bay Packers vs. Seattle Seahawks for the Conference championship on Sunday, January 18, 2015 @ 3:05PM Est

User who guesses correctly the winner of the game AND the closest score, wins the account.

Once your post is in, there is NO editing. If two users for whatever reason have the same guess, I will use a randomizer on Twitch.tv for you to see the winner.

Good luck :)
