Thread: [\[ALL MEMBERS\] AffiliateRiver eBook - Not a Bullshit method >>17\\$<< \[CONTEST\]](#)

crossera - January 17, 2015, 8:26 am

Here goes a new contest. I'm giving away [AffiliateRiver eBook](#).

I will give it up to 3-5 people, maybe more :)

In order to participate in it, you have two options:

1. Pick a number from 1-20. (I will chose 3 of them and notify the winners. In case more members are interested and all numbers from 1-20 are taken you can choose more from 20-40. Winners will be 6. And so does this goes on.)
2. Tell me why do you think you deserve it .

You can go with both of them as well :P

All The Best & Good Luck ?

Winners will be announced and hooked up with a copy tomorrow

I'll take number 4.

I think I've been pretty high quality and helped some people out on here.

Aurora - January 17, 2015, 9:17 am

I would like the number 14 please.

I personally have always wanted to try something that'll gain me profit throughout. CPA/PPD? Started it, nothing really worked. Affiliate marketing? Started it, nothing either. A little information from any source would help me out a lot to get back on track and guide me on what to do and what not.

Dushta - January 17, 2015, 9:19 am

I will with Number 12.

I have tried with so many methods. Nothing has worked for me. Hope this helps :)
