Thread: [\[FREE\] Logo Making. \[OPEN\] \[SEXY\]](#)

HackOps - January 17, 2015, 9:17 am

My first logo, I've designed.

If you're interested in something like this, just let me know in PM.
Please don't moan if the service is slow. Remember, I'm taking my own time to make this for you, for free.! :)

Also, please edit this, in your desired style.
Size: 191x192 or 120x150 (or your choice)
Colour Scheme: Your Choice. (Tell in PM)
Render/Image: (Tell in PM)
Text: (Tell in PM)
Anything else: (Tell in PM)

Current Status: Open

Cum Waffles - January 17, 2015, 10:54 am

Could you make me one :)? I currently can't pm because i need to post more which is why i didn't ask through pm.

I'll try and get you one soon as!

I've made a template, please edit it in your desired text.

This is not the right section.

You must post things like this here > <https://hackforums.net/forumdisplay.php?fid=181>
