Thread: [Just finished Anohana](#)

newman75 - January 17, 2015, 3:15 pm

So I just finished Anohana and I'm pretty much speechless.

This show was so amazing. I really don't know what to say besides it's a REALLY good show.

If you haven't seen it I highly recommend it.

Gladly - January 17, 2015, 3:21 pm

I cried at the end, and Angel wiped my tears with her soft hands.

I don't see how someone can't cry if they watch that show. Especially those last two episodes

Exha - January 17, 2015, 3:33 pm

You both just convinced me, I like animes that can hit deep into my feelings.

I'll go watch it right now.

Gladly and I went and saw the movie in theaters together.

How's the movie? Should I watch that too?

The movie is great, it's mostly just a recap but there are some new scenes.

Taiga Aisaka - January 17, 2015, 3:58 pm

Anohana was an amazing anime even though its kinda short :/ and the ending is so fucking sad
Spoiler [\(Click to View\)](#)I cried when every one could see her. ;_;<- my face

Fireworks - January 17, 2015, 4:03 pm

I still haven't cried any anime. But This was such a good show!

Chad ThunderCock - January 17, 2015, 5:30 pm

Guys, I'm wondering about watching Anohana, I'm not much into over dramatic stuff and slice of life anime but I loved Sakurasou, how good is Anohana compared to Sakurasou in your opinion?

Lawliet - January 17, 2015, 5:33 pm

This anime is so so intense I just can explain. Just reading the name gets me so nostalgic.

Chips Ahoy McCoy - January 17, 2015, 5:35 pm

Ending made me feel like crazy. I shared it with so many friends as well. We all had a group hugfest on Teamspeak afterwards.

They're completely incomparable, really.

Really? None?

Mirai Nikki made me cry like a bitch, Spice and wolf got me teary in a special occasion on season 2, sakurasou also made me teary, but I held the tears because it was not strong enough for me to cry to it

I liked Sakurasou more than Anohana. Sakurasou had a lot more emotion compared to Anohana for me.

You can't compare them. They're different types of romances.

But I enjoyed Anohana more than I did Pet Girl.

Lyralei - January 17, 2015, 8:09 pm

I thought Ano Hana was bad at first glance too op. It's one of my faves now :)

Not really the same but I watched it directly after watching pet girl and its really good even though its kinda short. I haven't watched the movie yet because I've heard its just a recap. All I can say is watch it because the ending is fucking amazing.

Lower - January 18, 2015, 5:07 am

I didn't really like the look of it at first, but I really enjoyed it, although it was a bit short (not really something to complain about though, as it probably wouldn't have been as good if they tried to drag it out longer).

It was pretty sad, although anime never really makes me cry (despite really liking sad anime). I'd definitely recommend it to anyone who enjoys shows like this.

Waited so long for the sub for the movie to be released, but by the time it was released - I lost my motivation to watch it. It's just a recap anyway, it'll be nice if I ever feel like rewatching AnoHana.

It actually isn't just a recap, if you would have watched the movie you would know this. The movie contains additional material from their childhood and one year after the series ends.

I thought it was a recap but guess not gonna watch it tomorrow at school during my spare :) ?

Buffy Summers - January 18, 2015, 11:47 am

I cried basically every time they played Secret Base ;-; It was probably the saddest anime I've ever seen.

Xepher The Cat - January 18, 2015, 1:18 pm

I heard it was pretty slow in the first few episodes. I'm still interested in watching this.

Kinda slow like first 1 or 2 eps but gets better and the ending is just amazing :')

Noctua - January 18, 2015, 6:13 pm

really good anime, not many like it, with the exception of clanned

chiyuki - January 18, 2015, 6:25 pm

Would have to agree. It was a fantastic show, and the ending was simply heartbreaking.
