Hun7eR - January 17, 2015, 8:49 pm

I hope this is a good place to post this.. BUT

Hey guise and gurls!!! I got grand master on one of my other xbox live accounts.. and I no longer wish to play on it. It is only 1st prestige, has the BAL-27 Obsideon unlocked, and of course GRAND MASTER for Season 1.

I will be giving away the account on like the 19th depending on how many people are interested.. plz tell your friends :)

[also the account has free GamerTag change]

Unfortunately this thread will be deleted, as rule one states that you need to have an upgraded account to create a contest thread.
