I haven't made a single dollar today.. It's hard today, but the next day you can make hundreds of dollars and the day after that you can earn nothing.

I find it sad that you have 'E-Whore' in your motto...

We have a bragging rights section on HF... Use it.

I definitely agree, but I like that it brings activity and gets people talking about what methods they are using, etc.

Also, isn't the bragging rights is for Ub3rs only?

If people were to brag about their E-Whoring earnings outside of the E-Whoring section, they would

receive more hate than AnimeFan.

I'm pretty sure that these threads are actually not allowed. I remember that I read in the rules that "achievement" threads or the like are not allowed.

I will be contacting a staff member, and I will clear this up.

I always thought they were kind of annoying sometimes, but oh well.

Bragging Rights is for L33T or above. If you can't post it in there, you're breaking the rules.
