Hello Guys ?

Rate from 1-10 pls.

[Deface Page](#)

?

SHRAPNEL - January 18, 2015, 12:15 pm

that's some creepy shit you got there

SwiftBot - January 18, 2015, 12:16 pm

THE EYES. Its the eyes. They creep me the fuck out. 8.5/10

Rate from 1-10 pls. ? and not "that's some creepy shit you got there" ?

SIM-2223238 - January 18, 2015, 12:17 pm

fucking cool design, little bit scary tho those eyes lol

11/10

Orochimaru - January 18, 2015, 12:18 pm

cool, so how many pages have you actually defaced with it so far?

mnjx - January 18, 2015, 12:18 pm

Oh yeah ? ? I really like them they're kind of scary ?

NullPatrol - January 18, 2015, 1:14 pm

Creepy :P. I think that it's looking good.

TheWholeWorldExplodes - January 18, 2015, 1:28 pm

Shit teir stereotypical deface.

Skid/10

Optimized - January 18, 2015, 1:30 pm

9/10. Looks quite nice but could have more.

Nice work.

Gary 'Eggsy' Unwin - January 18, 2015, 1:31 pm

it is a nice deface page.

I'd give it a 8/10

Redemption - January 19, 2015, 5:14 am

8/10 IMO. The eyes are what makes it scary lol.

King Tut?? - January 19, 2015, 5:43 am

It's nice.. 7'5/10.

The song it's nice..

It's simple..

The eyes it's Op!

GU€€I - January 19, 2015, 5:44 am

Fucking awesome deface page bro. One of the best i've seen 9/10.

The eye's are creepy af.

7.5/10 man

ÇdnîS Lu?i? - January 21, 2015, 5:59 am

Lulz, it's different. If you are grey/white hat it makes you look childish though.

Khimera - January 21, 2015, 8:08 am

8/10

That is pretty awesome! Although not much of a fan of the music

dineshdina - January 22, 2015, 7:47 am

just for the creepy eyes .
good work :)

mind_freak - January 22, 2015, 8:16 am

8/10,It looks pretty damn nice. ?

Emoticon - January 22, 2015, 9:23 pm

1/10 looks like the creator can NOT hack the Gibson :(where's your basic HTML knowledge? It looks like a faggot version of my HTML test pages nearly 10 years ago.

These eyes are so creepy !

I like the red hood guy ^^

Trig-Config-Maker - January 24, 2015, 7:24 am

question why does that page say you and the main index page says hacked by zodiac?

<http://av8software.com/>

and then this page says it was done by dexter?

<http://av8software.com/robots.txt>

p.s - PUT /test_TpFD5.jpg HTTP/1.1

Content-Type: text/xml

Host: av8software.com

Content-Length: 154

WebDav Directory lol... enabled PUT command just like uploads, with write permission

I just uploaded it fast to this site because i know it has no security ?

Winkie_Winkus - January 24, 2015, 8:59 am

You know, you should make it so that the source code asks if it can access the webcam, and if fortunately they accept, they can see their reflection in the eyes...

Just a suggestion :D
