I'm not sure if there is one available. Wouldn't it be impossible to make?

Lol^

Just use Mr. Trvp's or Haze's checker.

Yes, in fact they do. Look around the forum more or even use the search bar and type in "Netflix checker" and it will come up.

Glo Gang - January 19, 2015, 5:36 pm

Yes, simply search "Netflix Account Checker" on HF's search engine.
