Thread: [Scammed \\$130 by Blade uid=2017720](#)

617857 - January 19, 2015, 6:22 pm

So the deal was my kik 'Blaze' for \$130 Western Union.

Here is the whole conversation: <https://gyazo.com/89b7d061ed4cc705e35605babac730cb>

Here is me sending the password:

<https://gyazo.com/50c42864327138fd721a6f445d602f16>

I been logged out the account, the password was changed & blade is not replying to any of my messages.

Once the payment has been sent i'll close this report.

If you would had taken pp From me you wouldn't be in this situation. Sorry for this skid scamming you.

617857 - January 19, 2015, 6:36 pm

I fucked up. But Karma will get his bitch ass. So I'm not tripping.

Hustla - January 19, 2015, 9:54 pm

Looks like a legit scam report. So sad that people have to result to scamming.

b?xxy - January 19, 2015, 9:57 pm

sucks. I was about to actually buy this.

Kebabs - January 19, 2015, 9:59 pm

why do people not use a middleman, it aint hard.

Phyber, Grievous, Package, etc.

b?xxy - January 19, 2015, 10:39 pm

User is on the other site right now, attempting to deal with an HF member here.

617857 - January 20, 2015, 5:30 pm

Commenting so users can beware of blade, he has scammed someone for a xbox live code now. Watch out guys. no dealing with blade!
