What is Crackingseal about?

Crackingseal is a forum based on the art of brute forcing, we teach our members how to brute force loads of things.

Also we have various of other sections, such as the "resource" section, which can cover serial codes and more.

What does Crackingseal stand out?

Our staff team focuses on fixing issues, resolving fights and deal disputes.

We try to maintain this at a high level, so all our member have a great time being on our website.

Next to that, we dislike drama.

What is the reward program?

Our reward program contains of several awards and groups.

Let's say, you sign up, you start off with nothing, no awards or groups.

But when you rank up, let's say at 50 posts, you'll enter the first group & gain your first award.

This stimulates our members more and more!

Previews?

Why do I...?

Refer towards "my" site as our site? I do this because I believe the staff are just rule keepers, after all, we are all members of our site.

That makes you, but another random user as valuable as others.

Statistics?

Our members have made a total of 1,418 posts in 276 threads. We currently have 165 members registered.

What do I get for signing up?

An award of choice (Either Sold or Slippery, your call).

A free upgrade towards Premium, which gives you access to more sections & more.

150 On site balance (Seals).

(Jan 23, 2015 02:37 AM)Yani Wrote: [\[CITE\]](#) Oh I see, thanks. Some questions though. Where can I spend these seal points? And do I have to do something to get the premium?

Make an introduction thread for the premium, I will donate you the seal points soon.

You can spend them in the marketplace.
