Thread: [DBA: Refund Services](#)

Quote:Refund Services

To help someone get a refund fraudulently is not allowed on HF. No refund services whatsoever for any product or service.

That was added to the Disallowed Blackhat Activity to make it official.

I've considered this part of Financial Fraud but it's still been an issue with members requiring direct policy to address this issue.

So now it's officially worded and in the DBA help doc.

If you have an existing thread please junk or close it.

Thank you.

\$ZEUS - January 21, 2015, 11:27 am

Nice new rule to add. I can see how a service could steal the money or become a spam like service.

khaleesi - January 21, 2015, 11:27 am

people actually do this shit?

wow people.

Krew - January 21, 2015, 11:27 am

Yay, finally. Now all the CoC 'refunding' threads finally cease to exist.

Lexica - January 21, 2015, 11:28 am

Thanks for the heads up about the new rule Omni.

DamienVC - January 21, 2015, 11:28 am

I thought it was already disallowed.

Based God Tyrone - January 21, 2015, 11:29 am

Was it not obvious that this was fraud and theft??

PoisonKnife - January 21, 2015, 11:44 am

Good addition to the rules. Good job.

bandors - January 21, 2015, 11:51 am

Pretty glad to see it added, stops a lot of fraud.

It was. Fraud has never been allowed while I've been a member here.

Ahri????? - January 21, 2015, 12:02 pm

I am going to assume refund would be the same thing as charge back for paypal. So no more help me charge back threads I guess...

b?xxy - January 21, 2015, 12:23 pm

It's about time you added this.

I've told several people and they kept wanting to see the rule where it says this.

Thanks Omniscient.

Omniscient - January 21, 2015, 12:26 pm

Quote:I thought it was already disallowed.

Technically it was but now it's more obvious and directly worded into the help doc.

Reports on breaking Paypal's TOS, should we also report that as DBA or Other?

realrhn - January 21, 2015, 12:46 pm

Nice, i'm sure some E-Books need to stop getting sold now.

Tony Stark - January 21, 2015, 1:18 pm

Finally it is official, thanks!

Khalessi,

Oh yea! There are people that do this stuff all the time!

On another similar website as HF, there's even a forum that is Site Staff moderated and is named Am***n Refund Service.

Kinds gives me the creeps that this sort of stuff is happening. If Am***n ever got wind of this, I'm sure their legal team would tear down that website in a matter of minutes!

Vegas - January 21, 2015, 1:35 pm

Time to start farming those reports ?

zero5 - January 21, 2015, 1:39 pm

It's good to have a thread when there were changes made to the help documents.

ZuGgY - January 21, 2015, 3:25 pm

Already thought it was disallowed, thanks for clarifying.

It was already disallowed, Omni is just clarifying the rule so there is no doubt.

bugga - January 21, 2015, 7:46 pm

Viral Dragon - January 21, 2015, 10:19 pm

I imagine a lot of ebooks will now lose sales. Lol.

malek - January 21, 2015, 10:35 pm

Nice new rule to add

Misinterpreted the rules

420 Blaze It - January 21, 2015, 11:02 pm

Thanks very much :)

This helps my thread making a loophole of TOS work.

DamienVC - January 22, 2015, 12:05 am

What about those SEd Philips Shavers being sold? Will they be closed.. ?

Skorp - January 22, 2015, 12:58 am

The rule cannot get any clearer now. Goodwork Omniscient!

Karnaugh - January 22, 2015, 3:31 am

Thank you for this. Finally those Amazon spammers will be gone!

Astute - January 22, 2015, 9:40 am

Thanks you. Now finally, now all those Amazon refund services and Clash of Clans Gem refund services will be closed.

Vegas - January 22, 2015, 9:41 am

Now if only we could rid HF of obviously fraudulently obtained items from reship.com ?

King Ragnar - January 22, 2015, 9:44 am

I actually thought this was already added, Was about time though.

Excuse me? That's what I said... But not everything is a scam. I agree with the new rule. Hold your ground sweetie.

zetza - January 22, 2015, 10:53 am

Epic we got this removed from the forum! :)

Aceman - January 22, 2015, 12:45 pm

Glad to see this being addressed in the [Help Docs](#). Thanks for the update Omni. ?

Rigel - January 23, 2015, 10:14 am

This should have gone without saying but apparently people need everything written out. ?

ProKitzel - January 28, 2015, 3:17 am

I'm glad to see a stop has been put to it. So many thieves around here who put the cost up for honest and decent people.
