Hydra - January 21, 2015, 7:30 pm

What are Tittens?

Tittens are a form of virtual currency used to purchase items such as upgrades, services, etc.

When can I begin earning Tittens?

The week of January 26th, 2015, members on this forum will be eligible to earn Tittens.

What if I have more questions about Tittens?

You will need to wait until Sunday, the 25th, for more information.

All legitimate questions will be answered on Sunday.

SIM-1676753 - January 21, 2015, 7:32 pm

I like the name. One coin should be called tit, and plural tittens.
Or titties 8)

Lol all of you guys posting are making me laugh a little ?

Incognito™ - January 22, 2015, 1:22 am

So a virtual casino, In which titans win. Hmm.

I was never good at gambling, so I probably won't use this service but seems like a cool idea.

Okay so you're going to be using that Casino subforum within the Titans subforum. You've also created your own crypto currency, which is originally why you were going to partner with Crypto Miner. What determines the worth of these Tittens and how much of a premine do you have? How is Omni allowing you to open a casino on HF?
