Axiomatic - January 22, 2015, 8:30 pm

I intend to open a store over at [Paid Graphic Work](#) soon, and am using this to build an updated portfolio for it.

I will be doing the first ten requests in this thread for free.

Disclaimer: This is finals week for me and I can therefore not guarantee to complete any requests prior to this Saturday, although I will try to do a couple.

If you want to close the thread, I suggest actually closing it at the top and maybe adding all the completed work in the first post so when you open a shop they can refer to that as previous work.
