**PhoenixHF** - January 25, 2015, 9:12 am

For me it is Shanks from One Piece.

He's so mysterious, yet his appearance alone made Akainu run away.

What's your most badass anime character?

Gildarts Clive from Fairy Tail

And Kaneki Ken because Root A

**Yagami Li** - January 29, 2015, 11:51 am

So disappointing only one person has mentioned Gutz from Berserk.

He is the very definition of "Bad Ass", a normal human being killing beasts without superpowers, biting a sword during combat, the 100 man slayer (while he was wounded) the list goes on and on.

**SIM-2326043** - January 29, 2015, 3:32 pm

I think Edward Elric is hella badass.

**Insomnolence** - January 29, 2015, 3:54 pm

Wow, this is a hard one for me. Roronoa Zoro from One Piece is pretty bad ass.

However, Shinichi Izumi might take his place very soon.

**Silver Fang** - January 29, 2015, 4:04 pm

There is several characters that i deem to have the "badass" title.

1. Johan from the anime "Monsters"
2. Itachi Uchiha from the anime "Naruto, Naruto shippuden"
3. Toua Tokuchi from the anime "One outs"
4. Guts from the anime "Berserk"
5. Alucard from the anime "Hellsing Ultimate"

I can't choose one, there has to be a few.

**?Tet?** - January 29, 2015, 4:10 pm

Easily Lelouch, He is probably the most overpowered character in an anime.

Funny Tet you forgot to mention sora and shiro from NGNL especially when they make the crust and mantle disappear in the game of materialization shiritori against Jibril! PS: cant wait for season 2  
Also General Armstrong's sister from FMA:Brotherhood and Kamina from Gueren Lagann

**RainyEarth** - January 30, 2015, 6:26 am

now i havent seen that much anime but from what ive seen, Vegeta, cuz come on, ITS FRICKING VEGETA!

**Insert Name Here** - January 30, 2015, 10:25 am

I wanna say Kirito from SAO but I won't, because he is too perfect, and I didn't like him as much because of it, they made him out to be this perfect dude with no problems, and he lacked character depth from that, also not a lot of character development when it came to him throughout the show.

**Cyber-Security** - January 30, 2015, 11:08 am

Kaneki from Tokyo Ghoul, check out this final season 1 battle:
