Ew no not at all. My only 10/10 is Psycho-Pass.

Lol this literally turned into a what's your 10/10 anime thread.

Chips Ahoy McCoy - January 25, 2015, 6:05 pm

Because it pretty much is a masterpiece. I honestly can't see one thing wrong with it.

Crya - January 25, 2015, 6:07 pm

I actually dropped it half in... I may finish it just because.

Didn't like it at first since the episodes seemed so boring to me, but after a 3 month break I watched it again and realized it was really good. So pretty much I didn't like the first half, but really liked the second half. Gave the anime a 9/10.

You probably didn't like the art style which is completely understandable.

Buffy Summers - January 25, 2015, 6:50 pm

"Why do people have a different opinion then me?"

But anyway. They probably think it's a masterpiece because it is or at least pretty damn close to one.

Let me simplify this for you OP
