Thread: Free method to get 1500+ points daily on LikeNation

NoMercy - *January 25, 2015, 7:57 pm*

Hi guys! This is a video made by me to show you how to use this macro to get over 1500+points daily at like nation. It's seriously spoon fed so just watch the video and download the link. If you are having trouble just message me and do't worry about your account being banned because I've used this for ages and it hasn't happened to me.
