LIME HOTEL - Join the fun today!

### WHAT IS LIME HOTEL?

Lime Hotel is a brand new Habbo retro that's been up and running for about 3 weeks. It's a moderately small hotel with a friendly, close community averaging at 30+ users daily around the clock while gaining over 150-200 users throughout the day. Lime Hotel users are diverse coming from all parts of the world, so there are friends for everyone! Our carefully picked staff are monitoring the hotel 24/7 to keep users safe and happy.

Lime hotel has already reached the top 10 Habbo retros on Find Retros (A retro voting site). Join the fun today and let us know how your stay has been, we're always looking for new ways to improve!

That I can't answer. Maybe it's people who are still in the server before they had taken it down.

My username is Fudster.

Thanks for the VIP

**Craze Z** - January 30, 2015, 2:22 am

The server was under maintenance last night and the emu wasn't shut down so the online list didn't reset so it stayed on 24.

The hotel is now back online and I will be giving VIP to everyone who registered. Just find me in game and message me.
