Saucey - February 1, 2015, 1:31 am

Would like the premium pack:) thanks man!!!

lol_xxx - February 1, 2015, 2:17 am

Packs sent to all PMs :) Good luck guys!

hypercrit - February 1, 2015, 2:35 am

Great two packs again!

Some of the best free packs there are tbh! :D

DuguWudi - February 1, 2015, 3:19 am

Thank you very much for the packs.?

Undas - February 1, 2015, 3:32 am

Great pack! I've found it difficult to find girls who take pictures purely off of their phones, so it makes it more believable haha. Thanks for the pack!!

-Ben- - February 1, 2015, 4:43 am

I got them and it's two great damn packs, and you can pretty much fake everything with these, thanks brah. :)

Gary 'Eggsy' Unwin - February 1, 2015, 5:19 am

Thanks for sharing OP

Taking a look now

EDIT: not the best pack to be honest (crappy old phone) but some of the pics may be useful to me.

grantham - February 1, 2015, 6:29 am

These are great! Thank you for sharing :)

henixzer - February 1, 2015, 6:45 am

Just pm'ed you bro.

waiting for the packs?

NJKL - February 1, 2015, 7:22 am

Thank you for share this brother!

Can i have the pack? Thank you.

henixzer - February 1, 2015, 7:58 am

Vouch for op!

These two packs are really good?

Andienatur - February 1, 2015, 12:51 pm

Ok, hello guys i know that my answer isnt for here, but im new in the forum and how do you get these packs and what is E-Whoring?Could someone explain me?

lol_xxx - February 1, 2015, 1:24 pm

Not in this thread :p I have my own sources for packs, but I'll not share.

UNASSIGNED - February 1, 2015, 4:50 pm

Hey OP, I don't have enough posts to PM yet, so could you please send me the pack? Thanks a lot in advance

Great community service sir. I have 2 packs from this user and I must say they helped me a lot in 'fooling' every pervs I talked to. For example when I ran out of pics, I can just recycle pics from the packs, edit the faces out or the skin colour, and voila. Works like wonder. I hope this user may continue releasing such great pack and also hope the newbies or similar doesn't screw this up. Regards.
