syrah's bitch - February 1, 2015, 12:54 pm

Ok so I want to give something back to forums and this is where I want to do it. I am giving away 5 dollars austrlian dollars to one lucky user. All you have to do is pick a number between 1-30 and by using random.org I'll pick the winner.

Rules- if you have a negative rep you cannot enter and you won't win.

If you have a warning level you cannot enter and you won't win.

Good luck to everyone who enters

Congratulations to Magister
