Sorry not to be rude or anything but we are not giving out vouch copies and if we were we wouldn't

hand one out to you. Specifically because we have requirements for users to meet to get a vouch copy. Hope you understand.

Can someone explain how this works. Haven't used Netflix in a year. I had it few years ago and use to pay for it monthly. How does this lifetime access works. Sorry if this question is stupid (haven't been on this part of the forum before, usually on the xbox side of forum)

Once you buy our generator it means you will have access to it for as long as it runs and we will be updating accounts almost daily so they are as fresh as can be. Hope I helped out with your question.

Mr.Oakley - February 13, 2015, 2:44 pm

Well you buy the account gen. Click the netflix option then simply go to refresh and you get an account

We are always looking for future things to add to the generator so get it in the beginning so when we add new things you will always be on the updated end of it.

If anybody has any questions please make sure to ask me.

Thanks for pointing that out lol. I didn't even notice that because it's such a small error.

If you ever need a generator though or a new one don't hesitate to ask us any questions you might have about ours.
