Thread: [Max's Pentesting Service - Only Pay If An Exploit Is Found](#)

-Max - February 3, 2015, 7:18 pm

About

I have been doing work in security for a few years now and would like to offer my services to you guys.

If you have a website that you would like pentested then shoot me a PM and we will discuss the details further.

If you have any questions post below, or PM me and I will answer them the best that I can.

Pillows Approved (Feb 5, 2015 07:23 PM)Stazzy Wrote: [\[CITE\]](#) Just received my vouch copy for the review of my website and I have to say, insane work. OP listed all of the vulnerabilities of my site and provided a giant, thoroughly explained review. I will be working on fixing these vulnerabilities immediately. Big vouch for -Max and his Pentesting service!

Is it a fixed price per vulnerability found, or do you charge differently based on the vulnerability?

Hello, can you please PM me your skype? If I choose you, I'd have you read my code and report all vulns, and maybe fix them if I can't.

Not sure how something like this would work without some form of instant text communication.

Would rather use that form of communication if I am going to pay someone for this.

Well I use alternatives to Skype, I do not like Skype.

itsMeCherry - February 27, 2015, 9:54 am

What alternatives are you speaking of. Perhaps i could use that.

I use XMPP, I feel that is a better form of communication.

Mr. Meeseeks - March 1, 2015, 8:25 pm

Hello, I don't have 25 posts yet but I'm interested, PM me your Skype or other contact methods :)

-Max - March 3, 2015, 8:22 pm

If there are any questions feel free to PM me, I am still offering this service.
