Thread: [SSDP | Graphic Design Service | Cheap | HQ | Fast - *2 Vouch Designs Available*](#)

BLKLXVESMATTER! - February 6, 2015, 4:04 am

Hi guys, I'm not going to design a thread design for this, I'd rather rack up some vouches and work, and fill the thread with that. Okay, so.

Signatures - \$5+

Avatars - \$2.50

Logo - \$7.50

Thread Design - \$10.00+

Other - \$5.00-\$10.00+ (Depends on the request).

Code - Each request will be completed within 24 hours of them being requested if I am busy, although I normally start a design as soon as it is requested.

- I will update you every few hours or feel free to hmu regarding the design.
- All sales are final.
- PayPal only, if you dont want to send as a gift, then you pay the fees.
- Hope you enjoy my service!
