Thread: [Divino hacking service / Account recovery / Website / Trusted / More](#)

Il Divino - February 6, 2015, 11:05 am

So I am bringing out this service I am new on hackforums so I would like to receive good feedback (I am willing to give a vouch copy please don't not all ask for a vouch copy for my stresser setup I do not provide a vouch copy but this service I do)

Nice hacking service to help people getting back at people I offer lot of options as will be listed down below (no I cannot hack everything) PROVE IM LEGIT VOUCH COPY WILL BE GIVEN TO A TRUSTED USER

Examples of services:

- Footprint Removal
- Account Recovery
- Grade modification (if this is on website then yes however I may ask for name and student id number etc
- Pentesting
- Website Access
- Rooting
- Defacement
- Targeted infection

Wait why'd you make a new thread? I swear you had one with a lot of replies?

- sent from sexy phone

kurorolucifer23 - February 6, 2015, 10:44 pm

yea I think this is a new thread ,, I wonder why? anyways contacting you via skype

FRANKIE - February 6, 2015, 10:46 pm

You should probably have someone vouch for you.

Dr House - February 6, 2015, 10:50 pm

I have sent you a request on skype, I wish to speak to you further of this.

Il Divino - February 7, 2015, 6:34 am

To clarify, yes this is a new thread because I can't change my old thread I had to make a new one because it has my old skype and it is suspended / hacked I didn't want people adding that, I've contacted an admin and told him hopefully it's all good
