Some sick new films being released this year, cant wait for them

essexman777777 - February 7, 2015, 7:14 pm

Women will all be watching fifty shades of grey.

Guys will be watching Star Wars at Christmas and The New Terminator.

IncognitoHacks - February 8, 2015, 9:19 am

And avengers, dont forget avengers !!!

Cyrus - February 9, 2015, 12:27 pm

This movie will be sick when its out...

Tom Smith - February 9, 2015, 12:31 pm

Can't wait for age of ultron it may be the movie of the year

KingGoldenWax - February 10, 2015, 6:25 am

Chappie looks odd but something to watch if i was bored also interesting that die antwoord is in the movie.

Manyaco - February 10, 2015, 7:40 am

Avengers Age of Ultron looks really prime right now, can't wait for the epic movie.

The Dragon of the West - February 10, 2015, 7:52 am

I hope the new advancers movie will be good.
