Please go check out [MaterialSkin](#) by [Blink](#). He did a fantastic job making it.

Security Analyst - February 8, 2015, 11:39 am

I like it, Thank's for the release ^^

StalkerDz - February 8, 2015, 11:51 am

Thank's Dud I'll Try It.i'Hope it will be good keepUp

Coffee™ - February 8, 2015, 11:52 am

Looks extremely clean, thanks you for realease.

SIM-1847363 - February 8, 2015, 12:06 pm

Thanks, i'm glad you guys enjoy it ^^.

Hiiro - February 8, 2015, 12:15 pm

Why doesn't mine look like yours?

Image ([Click to View](#))

Also you have a second Font property on some of your controls for some reason, called "Fonnt".

KingDeath360 - February 8, 2015, 12:25 pm

It looks like a nice theme bro.

You might want to add the ubuntu font file to make it more complete.

Cisteriaso - February 8, 2015, 12:26 pm

Look nice and clean, thanks for sharing it!

SIM-1456245 - February 8, 2015, 12:27 pm

Another amazing release bro. Keep it up.

Image ([Click to View](#))

You and me both know why lol.

(Feb 8, 2015 01:15 PM)Austrix Wrote: ([CITE](#)) Also you have a second Font property on some of your controls for some reason,

called "Fonnt".i was quickly defining properties just so i could have quick access to them.

And thanks glad you guys like it ^^.

Entire - February 8, 2015, 2:06 pm

That login button is a little big but the concept looks beautiful.

Illusionisten - February 8, 2015, 6:25 pm

Didnt really like the colors:S Great share anyway;)

hunters - February 8, 2015, 11:10 pm

this is an awesome theme...i really like it :P

ElementalTree - February 9, 2015, 4:34 am

I love the fact that you wrote your instead of you're on the theme display, 9.9/10 IGN. It's a nice recreation though ;)

nuk - February 9, 2015, 5:05 am

Really great theme you released here! Thanks for this one ;)

Coffee™ - February 9, 2015, 5:08 am

(Feb 8, 2015 03:06 PM)Entire Wrote: ([CITE](#)) That login button is a little big but the concept looks beautiful.

Kinda, agree with this post, the login botton is little big

SIM-1847363 - February 9, 2015, 6:25 am

(Feb 9, 2015 06:08 AM)Coffee™ Wrote: ([CITE](#)) Kinda, agree with this post, the login botton is little bigThe "login" button is simply a button inside a groupbox. You can re-size it to your heart existent.

:)

SaketSaket - February 9, 2015, 11:33 am

Nice looking theme... Keep coding keep sharing ;)

ComplexCube - February 9, 2015, 2:03 pm

I really like this design, it looks great, you did a great job ?

Marwix - February 9, 2015, 3:08 pm

Another lovely design by my coding prince.

Great work!

CvejaZ - February 9, 2015, 3:37 pm

Whoo it looks amazing, thanks for share :)

VRUMM - February 9, 2015, 3:39 pm

Posting here because this is one of the best themes I've seen so far.

Poppy - February 9, 2015, 5:15 pm

Looks really nice

I have bookmarked this for future use :)

Astek - February 9, 2015, 5:33 pm

Really like this, nice job, always like controls that you can easily change the colours to your liking. keep it up.

Earn - February 9, 2015, 8:17 pm

I like the idea of it. I think that it still needs work though.

Good job.

SIM-1847363 - February 10, 2015, 3:50 am

(Feb 9, 2015 09:17 PM)Earn Wrote: [\[CITE\]](#) I like the idea of it. I think that it still needs work though.

Good job.Yeah there could be places where i could improve some of the functionality and some of the look, but i'm glad you like ;).

iTeDDy - February 15, 2015, 2:36 pm

This theme is so awesome! Keep it up! Thanks!

SIM-1847363 - February 16, 2015, 3:58 am

Glad you like it ^^.

Working on some custom controls at the minute may update my custom controls thread later this week.
