Seabee - February 12, 2015, 8:46 am

Hey hackforums, today I'll be hosting my first ever upgrade contest.

It's simple, all you have to do is post, and wear the signature, and I'll decide a winner on March 1st. Wear the signature until then, and you might be able to finally get that L33T/Ub3r upgrade you've been waiting for!

1 UB3R Upgrade

1 L33T Upgrade

Requirements:

Normal Members- 150+ posts || Positive Reputation

L33T Members- Approved for UB3R || Positive Reputation

Wear signature until contest end-date!

Signature to enter contest

NOTE: If I find you've taken the signature off before the contest is over, I will consider you opted out of the contest, and you will no longer be considered for an upgrade!

Goodluck to everyone, I'm looking forward to upgrading some members!
