Can I Sell 100 Netflix Accounts At A Time

I have read the section on the [Help Docs](#) and it says

Quote:Dumps / Combo Lists

Providing accounts that don't belong to you, whether in trades, for sale, or free, dumps are not allowed. The definition of a dump is a file with logins, passwords, personal details or emails. We do define "combo lists" as dumps as well.

So would selling 100 netflixs a time be allowed as I am selling them as accounts ?

I'm sure you can sell this many at a time..

Seen many people do it.

You can, but I can't imagine you getting much money on it.

I also wonder about this policy.

Anyways, I found a thread here
