Hi, I want to buy Your generator but I have few questions about how alt generators works...

- Generators have database of cracked accounts?
- Can owner of account change password?
- Can I change password?
- If I change password can owner restore its account?

Thanks in advance!

common62101 - April 22, 2015, 7:12 pm

1. Yes
2. Yes
3. Yes

Even though these accounts can be restored, I update it every week so it doesn't matter.

Anton Chigurh - August 20, 2015, 10:02 pm

Do you still update this, please I need some accounts
