Thread: [How do you call your Girlfriend/Boyfriend?](#)

MadMango - February 15, 2015, 12:07 pm

Well i call my Gf as Tweety because she is cuter just like Tweety and she likes it :D

Tell your Story .. let's see some interesting names :)

Trisomy 21 - February 15, 2015, 12:17 pm

I call my boyfriend Gregory Mc Pencildick. (If you don't get it, his name is sam, think about it)

Ordium - February 15, 2015, 12:17 pm

I call her by her name. It's Elyse.

Are you gay?

OT: I used to call my girlfriend kitty, but if it's translated to my language it sounds really cute.

My girlfriend's name to me: baby

Used in a sentence: baby, get my weed

Findus - February 15, 2015, 12:21 pm

My hand doesn't have a (nick)name. ?

Aquilaane - February 15, 2015, 12:21 pm

I call her by her name. Or babe/baby works.

The Rook - February 15, 2015, 12:22 pm

Either her name or babe/baby, sometimes sweetie

No, that is not my pet name, I just sexually identify as a butter.

?Blastonic - February 15, 2015, 12:23 pm

usually bitch

but nah either the basic babe or baby really works

occasionally i'll call her a basic pet name

Disable. - *February 15, 2015, 12:24 pm*

my nickname of choice is probably 'my love'.

nicknack - *February 15, 2015, 12:28 pm*

I call her cunt because thats what she really is.
