Thread: [Phoenix Buy-In Refunds \(?\)](#)

Seabee - February 16, 2015, 8:50 pm

I joined phoenix a day before it closed, and was told by tidbit i'd receive a refund. Just curious if anyone has actually gotten a refund, because I still haven't.

Not sure if this is out of the question, for whatever reason, as I have no idea what actually happened. I suggest PMing the user if you still haven't received a refund?

Fox™ - February 16, 2015, 8:52 pm

I assume Tibit will handle them whenever he can.

I've been in the group majority of its lifetime... I almost choked when I saw him accepting buy-ins.

typhoid - February 16, 2015, 8:54 pm

i never got one either. he kept telling me he'd refund me tommorow everyday that he replied to my pms until he stopped logging in lol

made me pretty upset when i realized he stopped logging in

Chief - February 16, 2015, 8:54 pm

He's checking back tonight or tomorrow. He'll have it all sorted out.

Considering the user is banned I don't think he will be pming anyone anytime soon.

idiots thinking that they can buy into "hq group" to grow their e-penis... that's literally why so many people are complaining about Phoenix buy in lmaooo. hf is such a joke

VRUMM - February 16, 2015, 10:58 pm

Seems like he hasn't been on for two days.

You're right, the virgins are the ones who bypass 35 character limit.

I'm sure Tibit will com back to refund, and finally leave in peace.

Jerv - February 17, 2015, 2:12 am

Yes, awaiting on mine as well. Told me it'd be Sat. Now it's Wed.

Maximum - February 17, 2015, 3:04 am

He might he waiting to get his money back from when Omni was selling Phoenix to give refunds.

Senna - February 17, 2015, 8:24 am

Nope, I've messaged him regarding a refund, but he just keeps telling me to wait (this was a week ago).

Chief - February 17, 2015, 9:44 am

He's checking them today. He hasn't been on in almost a week.

Roytoy - February 17, 2015, 9:46 am

Can anyone tell me what happened to Pheonix and Tibit?

Gotal - February 17, 2015, 10:22 am

Good thing I didn't pay for a buy-in. Who would know a group would get closed a day after a purchase of buy-in.

I mean... Who even buys into a group on a forum?

Groups r cool I guess lololol

Nex+ - February 17, 2015, 12:06 pm

Same here, has yet to refund me my buyin money

Orchid - February 17, 2015, 1:19 pm

I never got my refund, I should make a scam report for shits and giggles.

VRUMM - February 17, 2015, 2:55 pm

Looks like more than 20 people bought in.

Evangelist - February 17, 2015, 3:58 pm

He will refund you all. I know Tibit well and I trust that he won't scam all of you. For future reference, stop buying into groups and actually earn the spot. This wouldn't be happening if you had some sort of self respect.

Vouch for this. Omniscient also made a statement saying that Tibit won't receive any funds from the sale until he refunds members, I'd assume it goes with this as well.

Senna - February 17, 2015, 4:12 pm

Well, Tibit is online and is apparently doing the refunds right now.

EDIT - Nevermind, I was wrong.

Just another reason why I don't support purchasing spots for groups.

Incognito™ - February 17, 2015, 5:26 pm

Turns out tibit is performing refunds as we speak, check the thread located in the group section about refunds.
