well.

THERE IS NO SEASON 2

fucking High School Of The Dead

It was a pretty cool anime tho,

Watched the 12 episodes and OVA in one day.

I hope they release it in 2015.

I have been putting off finishing hsotd cause of this :(

Kiyoshi - February 18, 2015, 2:10 pm

Pretty sure there will never be a season 2.

I also heard something about the writers etc hate eachother, so they're not even releasing any manga chaps.

So you should probably just drop this dream. A season 2 will probably never happen. :p

They planned on making a second season until, like you have already heard... The writers had a fight and stopped the whole thing.
