Thread: [Looking for a girl. Yes a girl.](#)

?ouse - February 18, 2015, 12:18 pm

I need a girl to make a phone call. Not to some pedo or shit but it involves a tiny bit of ewhore knowledge.

payout is \$50 if successful. if you are a guy and know a girl that is willing to do this, that works fine too.

Prefer just a girl. If I can't find any better, a squeaker will do I guess

add me on skype : mrurbanarjan.hf
and i'll let ya know what its about.

Dont need this for now... Might need it later. ?

Woahh \$50? are you just trying to talk to a girl because you're bored, or is this for something totally different.

Well as it's in the eWhore section, think about it.

OP has most likely been promised bank by some guy for calling him.

TH.?

Just find your local school slut and ask her to help.

Use clownfish for Skype, and use the female voice; call the phone number via Skype as well. Lol. If I recall the female voice sounded very legit. XD

I'm not actually sure if I should say this, but I'm a girl. ._.
