Thread: [PAYPAL 2 CASH SAME DAY METHOD! LEGAL! EVEN IF UN-VERIFIED!! UNKNOWN :\)](#)

Aeroslim - February 18, 2015, 1:24 pm

So this is my personal 100% method that has worked over 15 times. This will get you cash same day for the exact amount of PayPal you do. This is super original! I have kept it private for so long, never even considered sharing it until randomly I thought about it haha. Post below as well and I will PM ya.

PM me if you want to know how! Legal. Not saturated at all! I may be the only dude who does this in the world!

Something cool! You do not need a bank, card, or even Verified to do this!! 100% legal, you are not stealing anything, no black hat! I know works in USA. 1 small requirement, PM me to get it of course. Though I think most people have it. TOS: DO NOT LEAK THIS! This is very original and a hidden gem I found :)

Edit: Really want to make this clear, this is not illegal. You are not stealing any money nor is "free money" created. It's simply a way for you to make your PayPal Balance turn into Cash same day without any fees. A few people have now been concerned with it, just need read it over perhaps? Thx.

"that has worked over 15 times."

I'm not sure about that... I'm pretty sure after the second time using this, you are going to be caught. Unless you have multiple in your area.

I would never try this method. Unethical in a lot of ways.

Oh it has, mainly because we order stuff through them so often for my brother's controller company, I am there 5+ times a week so they know if we find a better deal. Unethical? Not really that bad at all, I mean literally barely.

Hey could i get this method?

Thanks ?

Suits - March 23, 2015, 12:16 pm

Quick and easy way to get cash out same day via paypal if you're desperate for same day transfer. It also says it works for unverified accounts. Though, I would think that you would need a sending limit lifted. Vouch for this method.
