Thread: [How to get free Xbox Live / Credit / Playstation Credit](#)

????????™ - February 18, 2015, 2:15 pm

Hey everyone,

Since my other method got out-dated i'm going to be sharing this one instead with the community.

I'm sure this one works as i've just tested it out 3 days ago.

Hit me up with a PM if you'd like to receive the method.

If this involves SE (Social Engineering) this is not allowed.

I'm not sure how you consider that a debby downer, it's a rule that SE is not allowed.

So if an Ebook involves social engineering tactics in it, it can't be sold? If this is true, there's a fuck

ton of people in the ebook section who's threads should be junked.

Would like to recieve this method. PMing you now.

Wirt - February 19, 2015, 7:29 am

A. This method contains Social Engineering, which isn't allowed.

B. The OP uploaded on a sketchy ass website called "http://uppit.com/"

C. The dude put an ADFLY link in front of it to try to make money off of free things

D. OP refuses to put it on Mediafire so we can read it without downloading it to eliminate the risk of being a RAT.

Anyways, not allowed to be sold here as it contains Social Engineering,

#Merky - February 19, 2015, 7:30 am
