Thread: [\[L33T/UB3R\]20,000 VISITORS TO YOUR WEBSITE\[5 WINNERS\]](#)

N1nj4Styl3 - February 22, 2015, 2:45 am

Hello there,

This is going to be my 10th giveaway so I thought that it must be something bigger than the previous ones. :)

I'm going to send 20,000 visitors to your website as Anonymous/Direct. All traffic comes from traffic exchange. (I buy visitors for a few websites that I have, so I've a lot of credits left in my accounts)

It's very useful if you want to get your rank higher in Alexa

It's very useful if you want to show up in Google search more often (taking into account that you've proper meta tags, and all the other SEO tricks)

Unfortunately, it won't work with Youtube videos.

Just post under my thread and you will have a place reserved. I'll use random.org to pick the winners (according to post number)

NOTE: MAKE SURE YOUR WEBSITE IS CAPABLE OF GETTING VISITED BY HUGE TRAFFIC, A LOT OF WEBSITES THAT I HAVE SENT TRAFFIC TO ENDED UP CRASHING, BEWARE!

This contest ends on 23/2/2015

Thank you ?

I don't know whether it's useful for you or not. But surely you won't get banned for having enormous traffic. All of them come as anonymous/direct.
