Really Nice Brother. Keep it up :) I know your skills

**SIM-1241186** - February 22, 2015, 11:04 am

Good writeup with my PoC. I haven't seen anyone else share this, so cheers.  
Nuclear labs under volcanos & locksmiths are our passion.

You do realise that script is for getting the hash/salt, and these queries are completely different?

Getting the hash/salt is completely different from finding that you're able to extract password length & last char.

ChaosAutists > logic.

This is not relevant to OP's post in the slightest.  
Did you even read the thread?

**WhatsAnBinary** - February 25, 2015, 4:44 am

I think he read it, he just didn't understand it.

**Aakash Choudhary** - *February 25, 2015, 5:01 am*

Very nice mate. I just read this. I will again read this to understand this better  
Thanks
