Thread: [Making Shitty Paint Avatars for Free... REQUESTS CLOSED...](#)

Obimoto - February 22, 2015, 10:33 pm

EDIT: REQUESTS CLOSED

I'll be making shitty paint avatars for people...

I do not have a pen, I'm doing this off of a laptop pad...

I won't be butthurt if you don't use it, I'm just doing this for fun...

I make them 120x150, you may edit the size however you like...

Avatars made so far...

Spoiler ([Click to View](#))

Just post what you want me to do...

Please be realistic, or I will refuse...

If I can't do it, well then tough titties...

Thank you...

Vegas - February 23, 2015, 7:16 pm

I would love if you could make me one. For a template imagine the most gloriously sculpted man you can fathom, with everflowing layered brown hair, smoking what is almost certainly top shelf marijuana.

Oh and I should probably have a pimp cane.
and if I'm being honest I should have a tail.
