Why do you assume that 'Unturned' is his other account ?

DeadStock - February 23, 2015, 12:54 am

Jona, must have something to hide aswell. Because he has Numerous other Paypal accounts, i bet JONA isent even his real name either. Jona has something to hide for sure aswell ?

(Feb 23, 2015 01:51 AM)hambain Wrote: [\[CITE\]](#) Why do you assume that 'Unturned' is his other account ?

because he gave me neg rep with that account and reason was same also he agree on skype about it.

DeadStock - February 23, 2015, 1:07 am

Blue Shark - AKA Jona: Who agreed to you on skype, show us proof. Because i did not, pure and simple that is NOT my account ""Unturned"". You think i would be on This Account if i Owned ""Unturned"" account, no i would be on my ""Unturned"" account. So NO, i do not OWN or setup the account ""Unturned".

Unturned - February 23, 2015, 4:54 am

I'm forwarding a email at contact form. I have no access to his/her account. You did hit the fan boy.

Plus his IP are not match for me? My ip are based on a european country, just a TIP

Hey guys,

I have had a look through the dispute and tbh I know this guy in real life but that doesn't mean I am going to be lenient on him.

BTW sorry if there are errors lol I'm on my phone. Now reading through the Skype conversation there was a large break in between messages. Although thaybcould be for whatever reason. He could have been sick or smashed with work.....

Although there was a large pause I saw great customer service and professionalism. And to close dosing him was just too far and is black hat activity which is against HF.

GL with winning the dispute blueshark.

Thanks,
~jdog3366

Also just letting you guys know, for the past month or so he has been buying offshore vps's and then charging back on all of them. So deal with a lot of caution. I will upload screenshots for proof later.
