Thread: [\(Ub3r\) Two Day Trial Code Giveaways \(L33T\)](#)

Perses - February 23, 2015, 3:24 pm

I have a plethora of 48 hour trial codes, so if you're a L33T or an Ub3r member and you need one, let me know on Skype (until I get 25 posts, I don't want to spam for it like everyone else). Unfortunately I'll have to limit it to one code per person per week.

Skype: Haze.Experience

EDIT: Positive Rep Requires; as in you have to have positive rep, not negative.

Really? You dont have l33t or ub3r yet you take advantage of the fact that op had to use skype to claim a code. If I could add more than -3 to your rep I would.

You have multiple accounts, and I already gave you a code even though I was only going to give them to upgraded members. You're not very nice sir.

Sorry everyone, I've ran out of codes due to scammers trying to get multiple codes for their "Buddies". I might restock on Friday.
