BotMarket - February 23, 2015, 3:33 pm

Well this is weird seeing how you purchased my twitter follower bot yesterday.....

Seems pretty clear to me now why you wanted to sales bash my thread because im a competito

And it doesn't use proxies... Well thats a great way to get all your accounts used banned. And \$70 lol good luck with that

You watch demonstration during development? Well that's a lie socialmediasupplier has already admitted he is just a reseller/affiliate of this product.

Also the product is sold for \$159.98 for a lifetime. So if you buy this your only going to get a 1 month trial.

Please read this thread before purchasing

Funny how you post no product photo's or product videos... Plus all your vouches you posted are just friends of you saying "Vouch for this guy" NONE are vouches of paying customers.....

And i am not sales trashing i'm just pointing out you make threats to other HF members.

Ok so that is Clearly one of the dumbest messages i have seen in a while.....

And to top it off you don't include any information on who said that? WOW lol

I uploaded this just in case this kid removes his last post.

I am in no way sales thread trashing. I am only stating the obvious.

Burn ???????

Zink - February 24, 2015, 12:48 am

The price is a little bit over doing it don't you think?

Especially for a follow bot.

But good luck with sales.

I'm pretty sure I will try it soon!

I vouch for this man, he's a "real person" unlike others who are just stealing money and vanish, he really is a very trusted person and I'd love to check this out soon once I'm done with some work!

Keep up good work!

xMattiax - February 24, 2015, 11:59 am

Vouch for this, but also for this man.

He's a fantastic person and he's always available.

Fantastic product, too!

ComplexCube - February 26, 2015, 10:02 am

What does this do? You load accounts and give a list of usernames to follow? If so then \$45 it well to high, \$5 - \$10 would be a more appropriate price.
