Thread: [YouTube Dislike Bot V1 | Start Your Own YouTube Dislike Service | Only \\$2.00](#)

BotMarket - February 23, 2015, 10:25 pm

[Video: <https://www.youtube.com/watch?v=hF5nHEsSWco>]

This software will NOT dislike 1 video 1000000 times in 2 seconds.

(In my testing it took around 10 seconds per account to dislike.)

That's 1000 dislikes in 2.7 hours. (using a internet speed of 30MB Sec that i tested it on)

Hey buddy, do you reckon I could perhaps get a vouch copy if there's any still available?

I'll provide professional and useful feedback for potential customers.

Can you make a regular YouTube account and then make "sub accounts" under it and use those? If so how would you set that up for your program?

If you don't know what I'm talking about go to your YT account and look for "make new channel".

I'm pretty sure that would not work. You will need a different email to sign into for each account.
